**MARQUER** is a **design** and **customization** workshop dedicated to **durable materials**, created to meet the needs of **brands, businesses, events, and institutions**.

**MARQUER**

Elevate your Brand, leave a Mark

**MARQUER** was born from a simple observation: the market lacked providers capable of offering **high-end, eco-friendly, aesthetic products** available in **small quantities**, with **fast turnaround times** and **impeccable quality control**.

To address this need, the founders decided to create **MARQUER** to meet these demands with **excellence**.

# Target audience

---

MARQUER is for brands, businesses and institutions that want to stand out from the crowd with bespoke creations that combine quality, design and durability. From trendy bars and restaurants to festivals, event agencies and fashion designers, we work with those who are looking for more than just a logo.

Our clients share a common requirement: to enhance their identity through unique, eco-friendly materials designed to tell their story. From passionate craftsmen to large companies, influencers or conceptual boutiques, we work with those who want to turn their ideas into exceptional pieces. If you value design, sustainable materials and a high degree of customisation, MARQUER is your ideal partner.

# Our Strengths

---

## Graphic Design Expertise

With nearly **20 years of experience**, our graphic studio creates **high-value visuals tailored** to the visual identity of our clients.

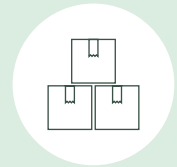

## Production from 1 Unit

Ideal for **prototypes** or **small series**, without compromising quality.

## Manufacturing in Belgium

**90%** of our markings are **done in-house**, ensuring **optimal quality control**, reduced turnaround times, and **cost efficiency**.

## Strategic Partnerships

For large volumes or complex materials (such as stone or marble), we collaborate with **qualified subcontractors**.

# Graphic Studio

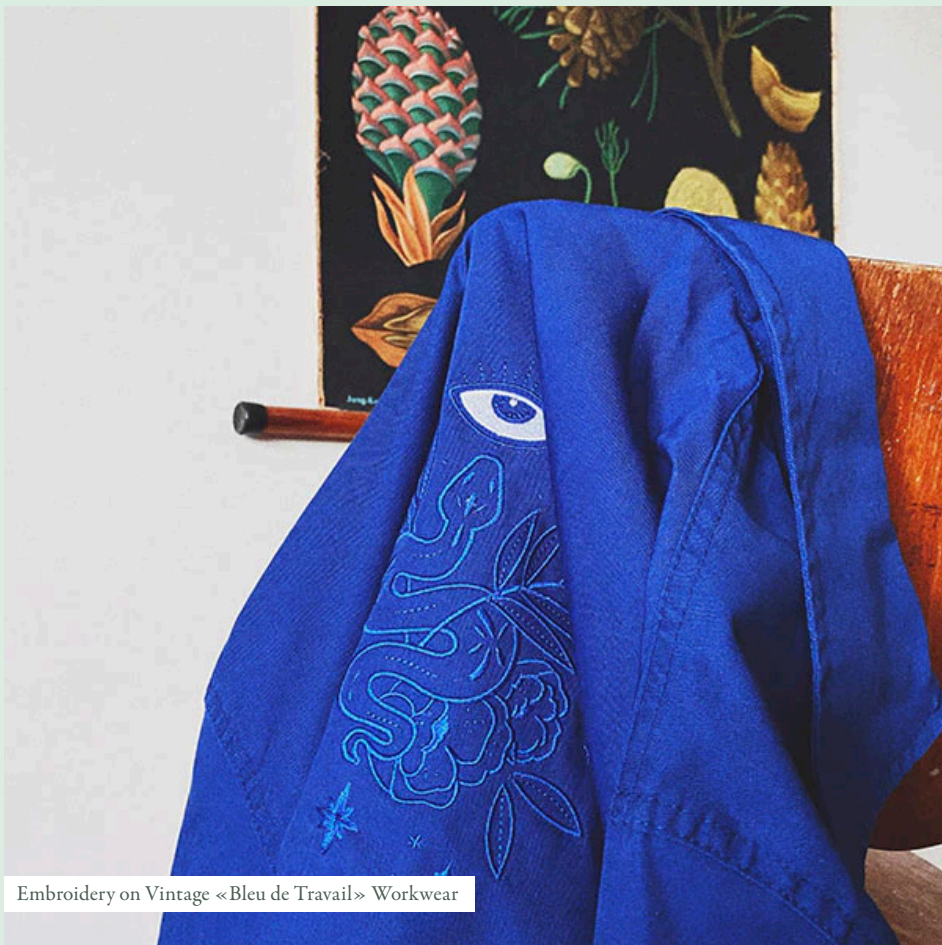

At MARQUER, object customization begins long before the production phase. Thanks to our **in-house graphic studio**, we don't just personalize items; we also design the visuals that enhance them. With nearly **20 years of design expertise**, we transform your ideas into **unique creations**, perfectly aligned with your identity and values.

Our studio supports you through every step of the process: from custom illustration creation to full artistic direction for your projects. Whether for a capsule collection, communication materials, or event items, **we ensure that each visual reflects your brand's DNA** while standing out with originality and impact.

Working with MARQUER means benefiting from a turnkey service. Our creative team collaborates closely with you to imagine, design, and produce impactful materials, combining aesthetic and technical excellence.
